

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Civil Service Pension Reserve Fund

Independent Audit Report

To the President of the Legislative Council

I certify that I have examined and audited the financial statements of the Civil Service Pension Reserve Fund set out on pages 43 to 45, which comprise the statement of assets and liabilities as at 31 March 2014, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

Director of Accounting Services' responsibility for the financial statements

In accordance with section 16(1) of the Public Finance Ordinance (Cap. 2), the Director of Accounting Services is responsible for the compilation and supervision of the accounts of the Government of the Hong Kong Special Administrative Region, for the management of accounting operations and procedures, and for ensuring that all regulations, directions or instructions made or given under the Public Finance Ordinance relating thereto and in respect of the safe custody of public moneys and its accounting are complied with.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 12(1) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Director of Accounting Services, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements of the Civil Service Pension Reserve Fund for the year ended 31 March 2014 are prepared, in all material respects, in accordance with the Public Finance Ordinance and section 11(1) of the Audit Ordinance.
