

Report of the Director of Audit

Bond Fund

Independent Audit Report To the President of the Legislative Council

I certify that I have examined and audited the financial statements of the Bond Fund set out on pages 85 to 91, which comprise the statement of assets and liabilities as at 31 March 2015, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

Director of Accounting Services' responsibility for the financial statements

In accordance with section 16(1) of the Public Finance Ordinance (Cap. 2), the Director of Accounting Services is responsible for the compilation and supervision of the accounts of the Government of the Hong Kong Special Administrative Region, for the management of accounting operations and procedures, and for ensuring that all regulations, directions or instructions made or given under the Public Finance Ordinance relating thereto and in respect of the safe custody of public moneys and its accounting are complied with.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 12(1) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Director of Accounting Services, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements of the Bond Fund for the year ended 31 March 2015 are prepared, in all material respects, in accordance with the Public Finance Ordinance and section 11(1) of the Audit Ordinance.

The Bond Fund was established with effect from 10 July 2009 by a Resolution (hereinafter referred to as the Resolution) passed by the Legislative Council under section 29(1) of the Public Finance Ordinance (Cap. 2) on 8 July 2009. Sums raised under the Government Bond Programme are credited to the Bond Fund. The Hong Kong Monetary Authority has been directed by the Financial Secretary to, inter alia, assist in managing the investment concerning the Bond Fund.

2. Accounting Policies

- (i) The accounts of the Bond Fund are kept on a cash basis. Transactions are recorded when moneys are received or paid. The Statement of Assets and Liabilities of the Fund excludes outstanding liabilities in respect of sums borrowed under paragraph (c)(i) of the Resolution referred to in Note 5 below, and debtors and creditors other than those deposits referred to in Note 4 below.
- (ii) Foreign currency transactions during the year are translated into Hong Kong dollars at the exchange rates ruling at the transaction dates.

3. Investments with the Exchange Fund

- (i) These are investments made under paragraph (e)(ii) of the Resolution.
- (ii) The investments represent the cost of investments together with the investment income received in the year being reported. The investment income is calculated on the basis of the average annual investment return of the Exchange Fund's Investment Portfolio for the past six years or the average annual yield of three-year Exchange Fund Notes for the previous year subject to a minimum of zero percent, whichever is the higher. The investment income for the year ended 31 March 2015 was HK\$3.78 billion (2014: HK\$4.19 billion).

4. Deposits

This represents the accrued interest received from successful bidders on reopened government bonds and is to be paid as part of bond interest on the next interest payment date of the bonds:

Repayments of the principal in relation to the outstanding liabilities in respect of sums borrowed are included in payments charged to the Fund under paragraphs (e)(i) and (ea)(i) of the Resolution. The liabilities totalling HK\$112.16 billion as at 31 March 2015 comprising the outstanding bonds with nominal value of HK\$104.4 billion and alternative bonds with nominal value of US\$1 billion (equivalent to HK\$7.76 billion as at 31 March 2015) are not included in the Statement of Assets and Liabilities (Note 6).
