

Report of the Director of Audit

Land Fund

Independent Audit Report To the President of the Legislative Council

I certify that I have examined and audited the financial statements of the Land Fund set out on pages 69 to 71, which comprise the statement of assets and liabilities as at 31 March 2015, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

Director of Accounting Services' responsibility for the financial statements

In accordance with section 16(1) of the Public Finance Ordinance (Cap. 2), the Director of Accounting Services is responsible for the compilation and supervision of the accounts of the Government of the Hong Kong Special Administrative Region, for the management of accounting operations and procedures, and for ensuring that all regulations, directions or instructions made or given under the Public Finance Ordinance relating thereto and in respect of the safe custody of public moneys and its accounting are complied with.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 12(1) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Director of Accounting Services, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements of the Land Fund for the year ended 31 March 2015 are prepared, in all material respects, in accordance with the Public Finance Ordinance and section 11(1) of the Audit Ordinance.

NOTES TO THE FINANCIAL STATEMENTS

1. Purpose and Legislation

The Land Fund was set up with effect from 1 July 1997 by a Resolution (hereinafter referred to as the Resolution) passed by the then Provisional Legislative Council under section 29(1) of the Public Finance Ordinance (Cap. 2) in July 1997. The Hong Kong Monetary Authority has been directed by the Financial Secretary to manage the investment of the Fund's assets. From 1 July 1997 to 31 October 1998, the assets of the Fund were managed as a separate portfolio. With effect from 1 November 1998, the assets of the Fund have been merged into the Exchange Fund and invested in the same way as the other fiscal reserves placed with the Exchange Fund.

2. Accounting Policy

The accounts of the Land Fund are kept on a cash basis. Transactions are recorded when moneys are received or paid.

3. Investments with the Exchange Fund

- (i) These are investments made under paragraph 7 of the Resolution.
- (ii) The investments represent the cost of investments together with the investment income received in the year being reported. Effective from 1 April 2007, the investment income is calculated on the basis of the average annual investment return of the Exchange Fund's Investment Portfolio for the past six years or the average annual yield of three-year Exchange Fund Notes for the previous year subject to a minimum of zero percent, whichever is the higher. The annual investment income is receivable on 31 December of each year.
- (iii) Pursuant to the Financial Secretary's directive in December 2014, the HK\$7.91 billion investment income for the calendar year 2014 was set aside and retained within the Exchange Fund as provision for the Housing Reserve, and not received on 31 December 2014. As explained in the 2015-16 Budget Speech, the Housing Reserve is to provide financial resources to meet the ten-year public housing supply target. The investment income retained within the Exchange Fund earns the same rate of investment return as stipulated in (ii) above and shall be receivable on a date as determined by the Financial Secretary.
