

Report of the Director of Audit

Audit Commission

The Government of the Hong Kong Special Administrative Region

Disaster Relief Fund

Independent Audit Report

To the President of the Legislative Council

I certify that I have examined and audited the financial statements of the Disaster Relief Fund set out on pages 53 to 58, which comprise the statement of assets and liabilities as at 31 March 2016, and the statement of receipts and payments for the year then ended, and a summary of significant accounting policies and other explanatory information.

Director of Accounting Services' responsibility for the financial statements

In accordance with section 16(1) of the Public Finance Ordinance (Cap. 2), the Director of Accounting Services is responsible for the compilation and supervision of the accounts of the Government of the Hong Kong Special Administrative Region, for the management of accounting operations and procedures, and for ensuring that all regulations, directions or instructions made or given under the Public Finance Ordinance relating thereto and in respect of the safe custody of public moneys and its accounting are complied with.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with section 12(1) of the Audit Ordinance (Cap. 122) and the Audit Commission auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used by the Director of Accounting Services, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements of the Disaster Relief Fund for the year ended 31 March 2016 are prepared, in all material respects, in accordance with the Public Finance Ordinance and section 11(1) of the Audit Ordinance.

Disaster Relief Fund

NOTES TO THE FINANCIAL STATEMENTS

1. Purpose and Legislation

The Disaster Relief Fund provides a ready mechanism for Hong Kong to respond swiftly to international appeals for humanitarian aid in relief of disasters that occur outside Hong Kong. It was established with effect from 1 December 1993 by a Resolution (hereinafter referred to as the Resolution) passed by the Legislative Council under section 29(1) of the Public Finance Ordinance (Cap. 2) on the same date.

2. Accounting Policy

The accounts of the Disaster Relief Fund are kept on a cash basis. Transactions are recorded when moneys are received or paid.

3. Investments with the Exchange Fund

- (i) These are investments made under paragraph (i) of the Resolution.
- (ii) The investments represent the cost of investments together with the investment income received in the year being reported. Effective from 1 April 2007, the investment income is calculated, in accordance with an arrangement entered into with the Hong Kong Monetary Authority in 2007, on the basis of the average annual investment return of the Exchange Fund's Investment Portfolio for the past six years or the average annual yield of three-year Exchange Fund Notes (replaced by three-year government bond with effect from 1 January 2016) for the previous year subject to a minimum of zero percent, whichever is the higher. The rate of return for the calendar year 2015 was 5.5% (2014: 3.6%). The annual investment income is receivable on 31 December of each year. The investment income of HK\$1.26 million for the calendar year 2015 was set aside and retained within the Exchange Fund, and not received (Note 4(i)).

4. Receipts

	2016		2015
	Original Estimate HK\$'000	Actual HK\$'000	Actual HK\$'000
Investment income			
Investments with the Exchange Fund (Note (i) below)	2,000	-	-
Transfer from General Revenue	30,000	80,000	29,000
Refund of grants	-	1,102	2,520
	<u>32,000</u>	<u>81,102</u>	<u>31,520</u>

- (i) Pursuant to the Financial Secretary's directive in December 2015, the HK\$1.26 million investment income of the Fund along with the investment income on other parts of the fiscal reserves for the calendar year 2015 was set aside and retained within the Exchange Fund as further injection to the Housing Reserve, and not received on 31 December 2015. The Housing Reserve was established in December 2014. As explained in the 2015-16 Budget Speech, the Housing Reserve is to provide financial resources to meet the ten-year public housing supply target. The investment income retained within the Exchange Fund earns the same rate of investment return as stipulated in Note 3(ii) and shall be receivable on a date as determined by the Financial Secretary. Together with the investment return of HK\$0.06 million on the initial provision set aside from the HK\$1.06 million investment income of the Fund for the calendar year 2014, the total sums earmarked as Housing Reserve amounted to HK\$2.38 million.
